EXP.NO-6	PATIENT APPOINTMENT AUTOMATION SUITE-Workflows

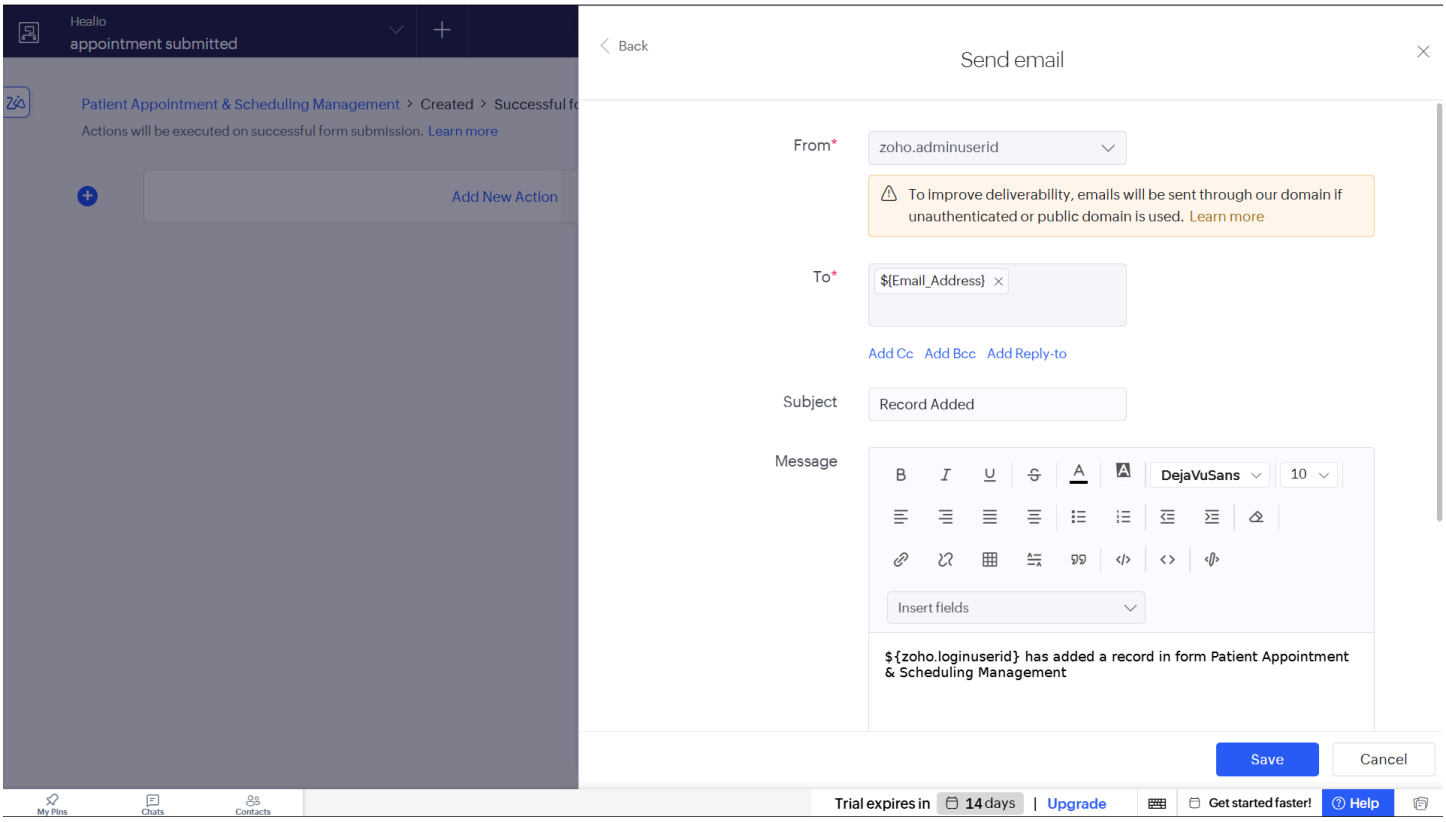

AIM:

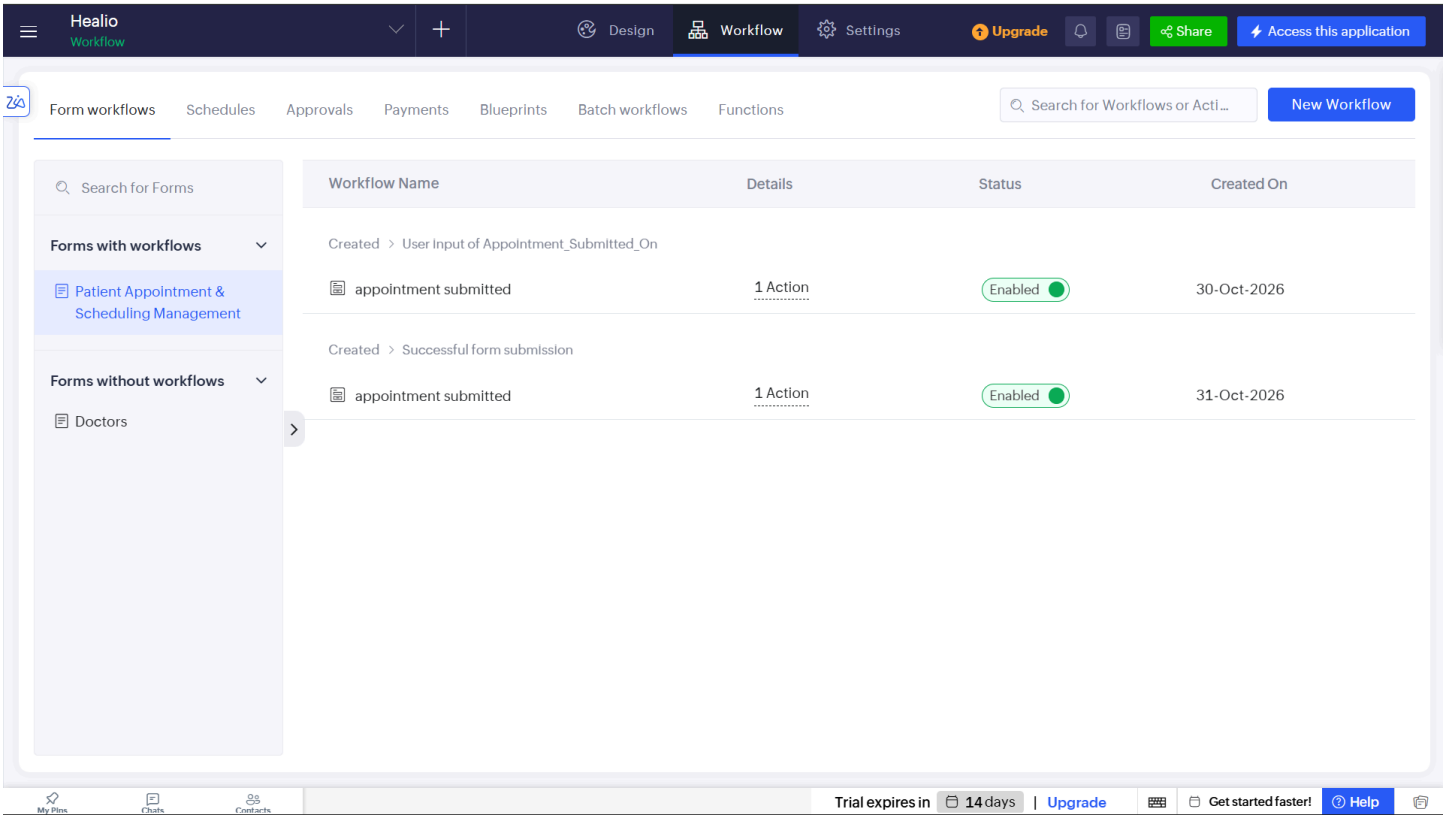

To create a Form Workflow in Zoho Creator that automatically sends an appointment confirmation email to patients after successful submission of the appointment booking form.

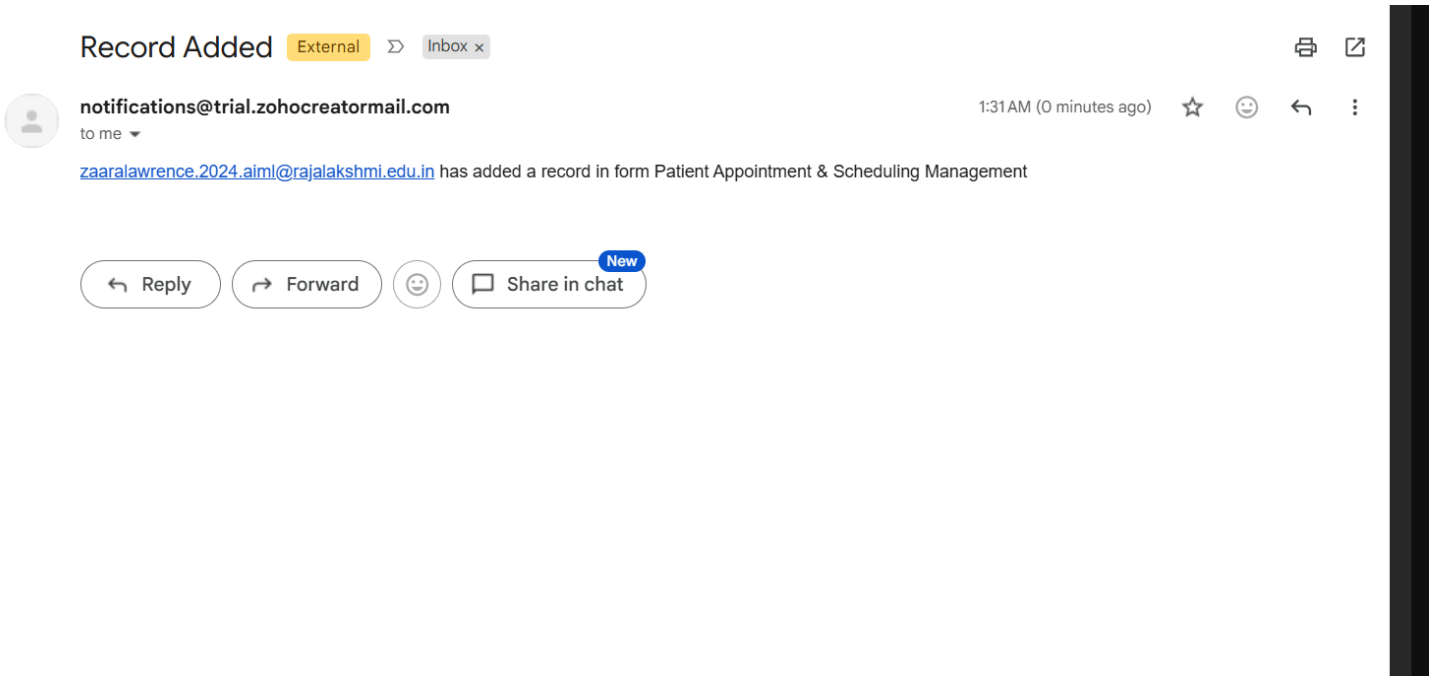

PROCEDURE:

1. Open Zoho Creator and access the Patient Appointment & Scheduling Management application.
2. Open the Workflows section.
3. Click Create Workflow and select the Appointment Booking Form.
4. Select the form event On Success.
5. Create a workflow named Send_Appointment_Confirmation.
6. Choose Email Notification as the action.
7. Select the patient's Email Address field as the recipient.
8. Enter the email subject as Appointment Confirmation.
9. Add a message confirming that the appointment has been successfully booked.
10. Save and enable the workflow.
11. Submit a sample appointment form to test the workflow.
12. Verify that the confirmation email is received.
